

## **Personal biography - E. Tsui**

Eric Tsui was the Chief Research Officer, Asia Pacific of Computer Sciences Corporation (CSC) and Innovation Manager at Australian Mutual Provident (AMP). He joined CSC in 1989 after years of academic research in AI and Expert Systems. His research was supported by grants and scholarships from Arthur Young, Rank Xerox, Graphic Directions, CSC and the Australian Research Council. During his tenure at CSC, Eric was responsible for strategic research, knowledge brokering (between CSC and AMP), innovation management, and university-industry collaborations.

His qualifications include B.Sc.(Hons.), PhD, and MBA. In 2002, he was appointed as a Professor of Knowledge Management under The Hong Kong Polytechnic University's "Distinguished Professionals Scheme". He joined the university full time from March 2005. His research areas are on Knowledge Management technologies and blended learning.

He is a Vice President of the Hong Kong Knowledge Management Society and a member of the Australian Computer Society and the Hong Kong Computer Society.
